# Message from the *CEO*

Melbourne Royal is proud to present the esteemed medal and trophy winners of the 2023 Australian International Beer Awards.

These Awards celebrate and honour the finest brewers from across the globe, as evidenced by the presentation of up to 36 trophies awarded to the champions of each category, including the highly coveted titles of Champion Australian Beer and Champion International Beer.

As we celebrate the 30th year of the Awards, Melbourne Royal remains committed to providing an exceptional opportunity for all brewers to benchmark their creations against industry standards from around the globe.

The Awards stand as the largest annual beer competition worldwide, encompassing both draught and packaged beer. This year, we witnessed an extraordinary record of 2,826 entries from 21 countries, marking a commendable 7% increase on 2022. In achieving this outcome, we express our gratitude to the 404 breweries who participated – the remarkable contribution of 262 Australian breweries and 142 international brewers.

I extend my sincere appreciation to the experienced and talented Industry Advisory Group, comprised of Tina Panoutsos, Jayne Lewis, Warren Pawsey, Justin Fox, Craig Bowen, and Billy Ryan. Their unwavering support, counsel, and dedication have been instrumental in the success of the Awards. I would also like to acknowledge Warren, Tina, and Justin, who served as our esteemed head judges this year.

We truly value the input from our industry partners and Advisory Group, as they uphold the integrity of the Awards, ultimately enhancing the beer-drinking experience for consumers.

This year we gladly welcomed back international judges for the first time since 2019, following the lift of travel restrictions in recent years. My gratitude extends to all the judges who journeyed from various parts of Australia and across the

globe to participate in the meticulous four-day judging process. While it may sound like a dream to judge beer for four days, it requires both passion and precision.

A special thank you goes to our Chief Steward, Craig Bowen, and the steward team, who generously volunteered their time. I trust they not only enjoyed their involvement in the awards, but also gained valuable beer knowledge, accompanied by a refreshing ale or two.

The iconic Victoria Pavilion at Melbourne Showgrounds played host to the memorable sold-out Trophy Presentation dinner once again in 2023. It was a night to remember, where the industry united to celebrate the champions and revel in the festivities.

Heartfelt congratulations are in order for all the winners of medals and trophies this year. We hope that your success at the 2023 Australian International Beer Awards will bring you immense value and commercial success throughout the year. I encourage you to proudly showcase your accomplishments with the newly branded Melbourne Royal Australian International Beer Awards medals and labels. They represent not only style, but also a highly esteemed mark of excellence and triumph.

These awards would not be possible without the generous support from our Australian International Beer Awards partners. We extend our deepest appreciation to our presenting partners, Barrett Burston Malting and Cryer Malt, as well as our major partners, Hop Products Australia (HPA), Boortmalt Asia Pacific, KONVOY and Dan Murphy's. Furthermore, we express gratitude to our trophy sponsors, Indie Hops, BevChain, Bluestone Yeast Co., Scan Global Logistics, Kegstar, Weyermann Specialty Malts, Joe White Maltings, Yakima Chef Hops, Crafted ERP, Chr. Hansen, Thirsty Merchants, Brews News, The Crafty Pint, along with our Government Partners Drink Victorian & Agriculture Victoria.

## MESSAGE FROM THE CEO

We are immensely grateful for the extraordinary support received from the beer industry, and we extend our thanks to our industry supporters, GABS Festival, Good Beer Week and the Independent Brewers Association, as well as the Brewers Guild of New Zealand and the U.S. Brewers Association

Melbourne Royal remains committed to working alongside our Industry Advisory Group to ensure our award categories reflect industry trends, production techniques, and consumer interests.

On behalf of Melbourne Royal, I extend my best wishes for a year filled with brewing excellence and resounding success in the realm of beer. Cheers!

# Message from the *Head Judges*

The Melbourne Royal Australian International Beer Awards, celebrating its 30th year in 2023, surpassed previous records with an impressive 2,826 exhibits entered. Over 400 breweries from 21 countries participated in the competition, showcasing the global reach and appeal of the event. With over one-third of the entries (1,050 exhibits) being kegs, the awards continue to maintain their status as the largest annual beer competition in the world assessing both draught and packaged beer. The increasing number of entries reflects the growing interest and participation in the global beer industry, making the Australian International Beer Awards a significant platform for breweries to showcase their craft and compete for recognition, while offering a comprehensive evaluation of the diverse range of beer styles and categories.

In 2023, the role of head judge was shared, with each of us taking on the position for one day of judging. The primary focus of this role is to ensure the competition maintains and builds on the consistency, quality and integrity of our judging panels and processes. Utilising the feedback collated from 2022, we were able to provide guidance and continue developing individual capabilities. As a result, several associates were elevated to the role of judge and existing judges were promoted to table captains, whereby increasing knowledge, experience, and diversity across panels. With a record number of table captains, this also ensured opportunities for coaching, mentoring and succession planning, while strengthening the calibre of our judging cohort as we rotated table captain positions.

The judging process unfolded over three days at the Melbourne Showgrounds, where a panel of 75 judges evaluated the entries. This year, we welcomed back international judges after a three-year hiatus, rounding out our Australian contingent. We saw a wide cross-section of judges, represented by people that are relatively new to judging or those that are highly experienced. Each day, the judges evaluated approximately 60 beers, carefully assessing their qualities and characteristics. The judges awarded an overall 309 Gold, 661 Silver and 906 Bronze medals.

On day four, the trophy round took place, where the top contenders were further examined, and winners were selected for each of the 36 categories.

Each panel consisted of a table captain, three to four judges and an associate. Beers were evaluated and scored out of 20 points across specific style and technical criteria. All beers were presented to the judges with a double-blind identifier for anonymity. Further refinement of software this year provided transparency and visibility of table scores and comments as entered, reinforcing tighter correlation and consistency across the panel.

The Australian International Beer Awards wouldn't be as successful if not for the input of several people and teams. Firstly, the exceptional professionalism and conduct of the volunteer stewards during the four-day event was highly commendable and was reinforced by everyone that took part in the competition. They played a crucial role in managing the needs of the judging panels, as well as accommodating any changes or unique requests that arose during the competition. Their dedication and willingness to assist without hesitation contributed to the smooth running of the event.

Once again, the judges extend their heartfelt thanks to each and every steward for their time, professionalism, patience, and good-natured interactions throughout the competition. Their dedication and support played an integral role in making the event a resounding success.

A special recognition goes without saying to the chief steward, Craig Bowen, whose dedication and diligence ensured the logistical success and integrity of the 2023 awards was continually maintained and improved on. This commitment has been unwavering over the last ten years and, on behalf of all the judges, we truly appreciate your efforts and contribution to ensuring we deliver a successful competition.

Underpinning the outcome of this event comes down to the management and coordination implemented by our competition manager, Damian Nieuwesteeg. Damian's pivotal role in the success of the awards cannot be overstated. His unwavering commitment and tireless efforts have played a significant part in elevating the competition to new heights. His passion for the beer industry has been a driving force behind the growth and recognition it has achieved, and we all thank him for this.

Immense thanks also go to the wider Melbourne Royal team for their commitment, support and professionalism in ensuring every element of pulling a competition like this seems effortless. Special thanks to Amy Chung, Oskar Long, Lily Cumper, Andrew Toms and Jon Earl for all your support.

Cheers to the winning brewers and breweries for their remarkable accomplishments and may their continued efforts contribute to the ongoing excellence and innovation in the world of beer.

## **OUR EXPERTISE AND CULTURE**

We apply an "owner lens" to our customers' supply chains and harness our experience and the full range of capabilities of Scan Global Logistics to drive improved supply chain outcomes.

We retain a flat management structure allowing quick and efficient decisions that support our customers.

# CRYO HOPS®

A FULLY PATENTED PROCESS PROVIDING THE HIGHEST QUALITY AND MOST EFFICIENT CONCENTRATED LUPULIN PELLET

Exclusive to Yakima Chief Hops, Cryo Hops® Brand pellets are a concentrated lupulin pellet produced using a patented cryogenic process that gently separates the components of a hop cone. The unique Cryo Hops® process creates the most ideal environment for limiting oxidation, preserving hop oils and resins and delivering the highest quality product with the greatest alpha concentration. Cryo Hops® Brand pellets provide intense hop flavor and aroma, enabling brewers to efficiently dose large quantities of alpha acids and oils with less volume and greater beer yields.
