Kids go free!

Welcome

Message from the Premier of Victoria

It is a pleasure to welcome you back to the Melbourne Royal Show in 2022.

The Show is a much-loved event and after a couple of years off, we're so pleased to have it back on our major events calendar.

This year, we're proud to have invested a further \$3.5 million so that kids under the age of 14 can attend for free. It'll mean more families can come and experience everything this magnificent event has to offer.

Whether you're tasting the best produce Victoria has to offer or grabbing a famous showbag – there's something here for everyone to enjoy.

The Show is also an opportunity to celebrate thousands of agricultural producers from rural and regional Victoria.

The agricultural sector plays a critical role in keeping our state strong – and we're so grateful for the countless communities and jobs the sector supports.

On behalf of every single Victorian, thank you to everyone involved with putting this important event together – and to all of you attending, please enjoy the Show.

Daniel Andrews
Premier of Victoria

From the Melbourne Royal President

We are proud to be back presenting the Melbourne Royal Show, Victoria's largest and most iconic annual community event.

A Victorian celebration like no other, the Melbourne Royal Show enables people from across the state to showcase and celebrate their passion, in particular food and agriculture.

This year we are delighted to have all of our competitions back, with the best of the best competing for a coveted blue ribbon.

Claiming a Melbourne Royal Show blue ribbon is a significant highlight for the thousands of exhibitors at the Show. From livestock and their handlers to show horses and their champion riders. From the most intricate creations of the art, craft and cookery entrants to the strength and skill of the

woodchoppers. We wish all our talented competitors the very best of luck in their pursuits over the 11 days of the Show.

We also have a huge variety of new, unique and memorable experiences, along with the much-loved Show favourites for you and your friends and family to enjoy, so make sure you read through the guide and head to our website to start your planning.

We are delighted to have a number of our community partners and government agencies actively involved in this year's Show including the VICSES, Fire Rescue Victoria, the Transport Accident Commission and Agriculture Victoria. Make sure you visit them to find out more about what they do and how they help the community.

The Melbourne Royal Show would not be possible without

the valuable contribution of all our partners and sponsors and our committees, officials, members, staff and volunteers. Their passion and effort is very much appreciated and I want to thank them all and wish them a happy and successful Show.

We look forward to welcoming you to the Melbourne Royal Show at Melbourne Showgrounds from Thursday, September 22, to Sunday, October 2. I know that you will make more happy memories than ever before!

Matt Coleman
President
