Message from the CEO

Melbourne Royal is delighted to present the medal and trophy winners for the 2023 Melbourne Royal Australian Distilled Spirits Awards.

Established in 2015, the Australian Distilled Spirits Awards is the first and largest national awards program recognising excellence in Australian distilled spirits and liqueurs and is the only Australian competition endorsed by the peak industry body, the Australian Distillers Association.

Acknowledging the long tradition of distilling in Australia and the emergence of the new generation of spirits and liqueur producers, the Australian Distilled Spirits Awards provides Australian distillers with a valuable benchmarking opportunity to drive innovation and improve quality.

Over four days at Melbourne Showgrounds, 53 judges assembled to critique and provide commentary on each of the entries, with the panel led by Shaun Byrne, making his debut as Head Judge in 2023.

With such an outstanding quality of exhibits, we were thrilled to award 112 gold, 364 silver and 318 bronze medals. Over 11 categories, the 2023 Australian Distilled Spirits Awards attracted 970 entries, an overall increase of 12%. We were also thrilled to receive 35 entries in the brand-new Design Award category introduced this year.

I particularly want to thank and acknowledge our Industry Advisory Group for their ongoing advice, counsel and support. The commitment, enthusiasm and passion of Shaun Byrne, Head Judge, along with Seb Costello, Gin Category Chair and our other industry advisory group members Caroline Ashford, Stuart Gregor, Sebastian Raeburn, Luke McCarthy and Julian White, are all instrumental in ensuring the success of these awards; Melbourne Royal is most grateful for your involvement.

Melbourne Royal is committed to working with our Industry Advisory Group to ensure our award categories reflect industry trends, production techniques, and consumer interests in the future.

Our sincere thanks also go to the 53 judges who generously volunteered their time, sharing their passion and expertise, as well as the 15 stewards whose dedicated efforts ensured the smooth running of the program.

We thank Australian Distilled Spirit Awards Trophy sponsors in BevChain, Cryer Malt, Crafted ERP, Plasdene Glass-Pak and Bintani for their support along with sponsor, StrangeLove, and industry supporter, the Australian Distillers Association. A special mention to government partners, Drink Victorian and Agriculture Australia - we greatly appreciate your involvement and thank you for all your support during this period.

Melbourne Royal is most grateful for the wonderful support we received from Australian distillers this year with the record number of 246 distillers entering the awards. We trust that all distillers who entered the awards this year receive great value and benefit from having products benchmarked against peers and in particular the feedback and comments from this year's judges.

Congratulations to all medal and trophy winners in the 2023 Melbourne Royal Australian Distilled Spirits Awards. Medal and trophy winners now have the unique opportunity to leverage their success and in particular the Melbourne Royal seal of excellence on the product and in marketing.

We look forward to celebrating and promoting your achievements with you over the coming months, and may the Australian distilling industry continue to innovate, grow and prosper.

Brad Jenkins
Chief Executive Officer

Message from the *Head Judge*

I'd like to thank all the volunteers who gave up their time to help us conduct this event. From stewards to judges, the event certainly couldn't run without their input. I have been involved since the first Australian Distilled Spirits Awards and it's such a pleasure to come back year after year, seeing old faces and new, and tasting some of the delicious spirits Australia has to offer.

I'd also like to thank all the exhibitors. Every year we get more and more entries, but more importantly, every year the quality seems to get better and better. It's an exciting time for the distilling industry, going from such a small base only a short time ago to where we are today and this exists because of the distillers around Australia, so thank you for making such wonderful products.

With the growth of the gin category and the fact that it makes up close to half the entries and is judged across five panels, this year we introduced an overarching judge position of 'Gin Category Chair' for this grouping. The idea here is to ensure there is a consistency of judging through all gin panels. This was a great success and something that will be added to the regular roster for years to come.

Another interesting takeaway from this year's awards was the further classification of the contemporary gin category into sub styles, which allowed the judges to taste like for like entries and ensured more consistent judging. This too worked extremely well, which we will look at doing further as the gin category continues to grow and evolve.

Agave spirits are on the rise, with some really interesting examples that impressed the judges, a section of the industry that will certainly grow in the coming years and something to keep an eye on.

Wine gin is really working its way into being something iconically Australian. Whilst not something that is exclusively made here, we are certainly pioneering the category and helping to define it for the wider industry. The judges were really impressed with the evolution of this category and looking forward to seeing it growing in the years to come.

Rum had a very notable growth in terms of quality, with judges incredibly pleased, but also worried as it is getting harder and harder to separate out the best of the best, when so many are of such high quality!

I am already looking forward to next year and I think we will have room to create some more categories as the industry continues to grow. Some notable areas could be bottled cocktails and low-no, as both these areas are getting more focus from local distillers.

Finally, a second thank you to all those involved, and especially the Melbourne Royal team. I had a great time in my first year as head judge and I thoroughly enjoyed working with everyone involved.
