Message from the *CEO*

It is with great excitement and anticipation that we look forward to the 2023 Melbourne Royal Show being held at Melbourne Showgrounds from Thursday 21 September to Sunday 1 October.

This year we proudly celebrate 175 years of Melbourne Royal, and we invite you to join in the celebrations and enter the 2023 **Melbourne Royal Sheep Competition**. There is nothing like the thrill and excitement of winning a Melbourne Royal blue ribbon and this year will be even more special as Melbourne Royal celebrates 175 years with commemorative ribbons and prizes.

The Melbourne Royal Sheep program is a major feature at the 2023 Show, with new classes and celebrations, in particular our 2023 feature breed, Suffolk.

This year we look forward to the young judges demonstrating their judging skills in the ring at the School/Junior Competition – a wonderful opportunity to celebrate youth in agriculture.

As always, the prestige and integrity of the competition are upheld by our panel of esteemed judges, and we are grateful for their commitment to excellence.

I sincerely thank our Melbourne Royal Sheep Committee for their passion and the ongoing advice, counsel and support that they provide to the Melbourne Royal team. The commitment and enthusiasm of Chair Gavin Wall and committee members Bron Ellis, Lyn Dehnert, Liz Russell, Jill Noble, Bruce Starritt, Matt Hill and Graeme Collins ensures that Melbourne Royal continues to present this world-class competition.

It would not be possible to present the Melbourne Royal Sheep Competition without the support and assistance of everyone involved. I thank and acknowledge all our valued sponsors, partners, officials, volunteers, suppliers and, of course, our competitors. Your contributions make this a competition everyone is proud to be involved in.

The Melbourne Royal Sheep Competition will be held from **Friday 22 September to Sunday 24 September** with Suffolk as the feature breed in 2023; we wish them all the best with their celebration.

Melbourne Royal invites you to enter the 2023 Melbourne Royal Sheep Competition and trusts that you and your family and friends will have an enjoyable and memorable experience being involved.

Brad Jenkins
Chief Executive Officer

Message from the Chair

The Melbourne Royal Sheep Committee wishes to welcome and acknowledge all exhibitors, judges, stewards and visitors to the 2023 Melbourne Royal Show.

The committee has been energetically involved in planning in an endeavour to deliver another exceptional event.

Note that we have reverted to the program similar to pre-covid. We have renamed the Schools Competition to Youth Competition to encompass better options for all youth to participate either as individuals or as a member of a school. New innovations in the Youth Competition will encourage individuals to demonstrate novel and innovative concepts. The "Sales pitch will run again and finalists may be required to demonstrate their skills and knowledge in the judging ring on Wednesday 21 September. An added component will be an information session about nutrition presented by Ross Winfield from Rivalea Stockfeed.

The feature breed this year is the **Suffolk**. We look forward to welcoming Suffolk exhibitors and those of all other breeds. Melbourne Royal provides a prestigious promotional platform and an opportunity for social interactions between exhibitors and the multitude of visitors to the Show to exchange opinions, learn and establish positive connections. Please make the most of this unique opportunity.

Particular thanks to each of the judges for their dedication and deliberations. We cannot run a successful Show without the assistance of the many stewards and Melbourne Royal staff. Thanks for their dedication and commitment to the Sheep Competition. This dedicated team of enthusiasts works in conjunction with the Committee to ensure the competition is enjoyed by everyone.

Special thanks are extended to all sponsors for the provision of products and rewards for those achieving success throughout the competition – this support certainly brings added prestige to the Show.

Particular thanks are extended to Sheep Committee members for generously offering their industry knowledge and expertise to facilitate the programming and running of the Show. Each of whom contributes considerable time and effort toward the planning and delivery of a rewarding experience for exhibitors and visitors.

The aim of the committee is to oversee the sheep section and present a program that is to Royal Show standard. We are proud of our futuristic digital technology which is second to none; this technology provides relevant information about classes, exhibitors and results immediately to ringside and worldwide. Ringside facilities for members are intended to enhance visitor and exhibitor comfort and enable memorable experiences throughout the Show.

We wish abundant success to all exhibitors – past, present and prospective. May you thoroughly enjoy all that is on offer at Melbourne Royal. It's time to celebrate achievements and be proud to show others what you have meticulously selected, and to share your knowledge and successes with others.

When performance exceeds ambitions, the overlap is called success. Creativity requires the courage to let go of certainties.

SF11 – PERFORMANCE CLASS: RAM, UNDER 1½ YEARS OLD

Born after 1st April in the preceding year.

Exhibitors must advise Melbourne Royal in writing of the tag number of the sheep no less than one week prior to the commencement of the Show.

Entrants will need to be current participants in Lambplan for Group Lambplan figures and 80% of rams in the Exhibitors flock must be tested by Lambplan.

Exhibitors are not to wear EBV cards during judging.

The objectives of the Performance Class are:

To make show selection closer to practical ram selection with the Judge ranking rams as potential sires for use in a commercial prime lamb operation.

To promote improved genetic selection procedures.

To allow breeders to compare rams between flocks using Estimated Breeding Values (EBV's).

To maintain the spectacle of the show ring and the interest of ram breeders and the general public.

An outline of the selection method for the Performance Judging Class is shown below:

- Visual: (fertility, judge to allocate points from 0 to 50) 50
- Performance figures: 50
- **MAXIMUM POINTS** 100

Points allocated for fertility and EBV's for leanness and growth will be calculated prior to judging. Points allocated for Breed Character and Structural Soundness will be allocated while sheep are in the judging ring. The target market for these sires is the production of Elite Lambs: 22kg carcase weight, fat score 2 and 3.
