NOTES ON WINE JUDGING

Exhibits are judged on a point score with a maximum of 20 points. The judging sheets are divided as follows:

- 3 points for colour and condition, often wines with poor colour are rejected for defects on both nose and palate;
- 7 points for nose; and
- 10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

18.5 – 20 = Gold Medal

17.0 – 18.4 = Silver Medal

15.5 – 16.9 = Bronze Medal

At the RMWS, the judges are arranged into panels, each consisting of three judges. The Chairman of Judges divides the classes to be judged between the panels. He also gives guidance, clarification and in the case of any disputes he will adjudicate.

All exhibits are judged "on the blind". Judges do not sight or handle the bottles. Each class is set up and poured by associate judges and stewards. The judges assess the wines, allocate points and then medals are awarded. The points listed in the results section represent the total of the three judges' assessments.

The following definitions of the various wine types are offered for the guidance of exhibitors.

Varietal wines should comprise at least 80% of the specified variety for 1993 and earlier vintages and 85% of the specified variety for later vintages.

GraysOnline is Australia's leading online wine auctioneer. When it comes to wine we sell more cases online than anyone else in Australia, in fact over half-a-million cases in 2008 direct to consumers. With a proven track record selling for Australian wineries, distributors and retailers, GraysOnline is the perfect vehicle for you to sell your wine. GraysOnline also continues to grow their private cellar auctions so we're always looking for private cellar partners. We manage the marketing, warehousing, logistics, customer payment and product delivery for you. Making it not only one of the most effective retail channels but also the easiest.
